Technical Bulletin

Clarification on the gearing and restrictors for the micro and mini classes:

Regulations for the Rotax Max Challenge Grand Festival will be as per the Rotax Global rules 2024.

Micro Max will run 14 x 72 gearing and exhaust manifold Rotax part number 273 192 - 18.3mm Max

Mini Max gearing will be as 13 x 80 gearing and exhaust manifold Rotax part number 273 196 – 22.2 mm Max

**Reason** – to amend the contradiction relating to the exhaust restrictor for the mini max class published in bulletin no1
