All results relate only to the items being assessed.

END OF CHART

The weights or artefacts have been compared against Northern Balance's calibrated standards which are traceable to National Standards via a UKAS certificate. The balances used are of an appropriate resolution, standard and condition to conduct the comparison as indicated. The weights compared have not been adjusted in any way and this chart is NOT a UKAS accredited document. No uncertainties are recorded and the results are correct to the best of our knowledge and ability.
